PROCLAMATION BY THE GOVERNOR.

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
I, LEON ABBETT, Governor, do hereby certify that the
Legislature of this State adopted, and on the
twenty-first day of February, eighteen hun-
dred and eighty-four, I approved the following
Joint Resolution:

Joint Resolution relative to the Planting of
Forest Trees:
"1. Be it resolved by the Senate and Gen-
eral Assembly of the State of New Jersey, That
the Governor be and he is hereby authorized to
cause a proclamation annually setting apart a
day in April for the planting of forest trees, and
recommending that the day be devoted by the
people to that purpose.
"2. And be it resolved, That this resolu-
tion take effect immediately."
Now therefore, pursuant to the foregoing
resolution, I do hereby set apart FRIDAY,
April thirtieth, eighteen hundred and eighty-
four, for the planting of forest trees, and re-
commend that the day be devoted by the peo-
ple to that purpose.
In testimony whereof I have hereunto set
my hand, and caused the great seal
of the State to be hereunto affixed,
at Trenton, this thirtieth day
of March, eighteen hundred and eighty-
four.

LEON ABBETT.

By the Governor,
HENRY C. KELSEY,
Secretary of State.

NOTES ABOUT TOWN.

—Mr. Thomas B. Baxter has sold the
Beatty house on Bloomfield avenue, and
the lot in the rear to Mrs. Jane Hampson.

—A meeting of the Bloomfield Improve-
ment Association has been called at
Dahl's Hall for next Monday evening.
A full attendance is much desired.

—Mr. John Dalrymple, whose health
has been rather poor of late, has gone
to Los Angeles, Cal., where he will remain
for an indefinite period. We wish pros-
perity and a speedy return to perfect
health.

—Property owners who wish to take
advantage of the appropriation for laying
sidewalks, should send in their applica-
tions to the Township Committee as early
as possible: first come, first served, is the
rule, and the time in which the work can
be done is none too long.

—Owing to the death of his father at
Bloomington, Indiana, on Tuesday, the
Rev. H. W. Bullantime will be absent
from his pulpit next Sunday. Dr. V. L.
Lockwood will act as supply.

—The family of the late Mr. Israel C.
Ward have paid to the session of the
First Presbyterian church a bequest of
\$2,000, which is to be invested, the in-
come to be used for the relief of indigent
members of the church.

—Mr. Louis Cortambert is lying dan-
gerously ill with pneumonia in the apart-
ments of Mr. Isaac H. Day at the depot
at the Montclair & Greenwood Lake
Railway. He was formerly a compositor
in the office of the Bloomfield Record,
and has more recently been in the employ
of Mr. Henry Lindemeyer.

—A colored man has been canvassing
Bloomfield and Montclair for subscrip-
tions for the St. Marks Methodist Epis-
copal Church during the last two weeks.
No authority has been given him for such
action. Whenever he has received it is not
for the benefit of the above society.
Strangers applying for money ostensibly
for such an object should be refused in
all cases unless they present written au-
thority signed by Edmund A. Smith.

—In the absence of the pastor of the
First Presbyterian church to-morrow, the
pulpit will be occupied by the Rev. Dr.
Lockwood, who will preach an Easter
sermon in the morning and in the even-
ing an appropriate discourse on "Univer-
sal Beauty in Nature."

—Mosquito Net Frames at Cooper
Brother's for one dollar each, covered with
Clinton wire. Doors at 15 cts. per
square foot. Finest quality picture
frames made to order.

—With the regularity of Father Time
himself, the task of house-cleaning is en-
tered upon. Each Spring suggests anew
the necessity of painting, kalsomining,
papering and otherwise beautifying the
interior and exterior of our homes. The
cheapness of painting materials makes
the time opportune for extensive improve-
ments. A stitch in time saves nine, and
houses long neglected should receive im-
mediate attention. As a workman well
able to meet the utmost expectation of
his employers we gladly call attention to
our work.

corner in the village, he has already ap-
proved himself to the judgment of those
who have had reason to secure his ser-
vices. Through an extended apprenticeship
in New York and Newark, he has
obtained such a knowledge of the various
departments of painting, kalsomining and
paper-hanging as to make him an exceed-
ingly useful man. Specimens of his work
will be shown to any who desire to see
them.

K. & L. of H.

BLOOMFIELD, N. J., APRIL 21st, 1886.

At a regular meeting of Eastern Star
Lodge No. 570, K. & L. of H., held on
Friday evening, April 2d, 1886, the fol-
lowing preamble and resolutions were
unanimously adopted:

"Whereas, it has pleased the Supreme
Protector of the Universe to remove from
our midst by death our beloved Sister,
Past Protector Jane C. Gregory, and
Whereas, it is but just that a worthy
recognition of her faithfulness and love
to this lodge should be remembered.
Therefore be it

Resolved, by the members of Eastern
Star Lodge, that while we bow with hum-
ble submission to the will of the Supreme
Protector we do not mourn the loss for
our Sister who hath been removed from
our society. And be it further

Resolved, that in the death of Past
Protector, Sister Jane C. Gregory, this
Lodge laments the loss of a Sister who
was ever ready to extend the hand of aid
and voice of sympathy to the needy and
distressed of this Lodge. An active mem-
ber of this society whose utmost endeav-
ors were exerted for its welfare and pros-
perity, a cheerful friend and companion
who was dear to us all. And be it fur-
ther

Resolved, that it is but a just tribute to
the memory of our departed Sister to say
that in regretting her removal from our
midst we mourn for one who was in every
way worthy of our esteem and respect.

And that we sincerely condole with the
family of our deceased Sister in the dis-
pensation with which it has pleased Divine
Providence to afflict them;

And would commend them for consolation
to 'Him that doeth all things well
and whose chastisements are sent in
mercy.' And be it furthermore

Resolved, that these resolutions be put
upon the records of this Lodge and en-
grossed copy thereof be presented to the
family of our deceased Sister."

Neighborhood News.

SOUTH ORANGE.

The Village Board of Trustees met
Tuesday evening. The Treasurer re-
ported a balance at last report of \$762.94;
receipts, \$3,840.85; disbursements, \$2,-
951.02; balance, \$1,682.77. Mr. Young
read correspondence with the Citizens'
Gas Light Company, who stated that
they had letters from Mr. Sham, Chair-
man of last year's Committee on Street
Lights, authorizing the erection and
lighting of the fifteen lamps on South
Orange avenue and the disputed bill of
\$338.88 for erecting and lighting these
lamps was ordered paid. There was
considerable informal discussion over the
dog problem, and the ordinance to estab-
lish a dog pound was passed to its third
reading. The annual tax ordinance was
introduced and passed to a second read-
ing, with the following amounts: For
Lighting Streets, \$6,000; Streets and
Highways \$4,500; Police, \$2,000, and
contingent expenses, \$2,700. It was re-
solved to make the office of Overseer of
the Roads a salaried one, the amount be-
ing fixed at \$250.

ORANGE.

The business men of Orange stole a
march upon the clerks who had inaugu-
rated a movement to close all stores at
7.30 o'clock, every evening except Satur-
day, after May 1st, and at a meeting
held yesterday afternoon they unani-
mously passed a resolution to allow their
clerks to leave business at 7.30, but that
each storekeeper should keep his store
open as late as he pleased. When the
clerks met last evening it was found that
many had entered into agreements with
their employers and no action was taken.

Officers Cooper and Meeker arrested
Charles Jandreau, yesterday afternoon,
on a complaint of being drunk and disor-
derly. The prisoner resisted and fought
the officers viciously, and injured Officer
Cooper by a kick, so that he is unable to
do duty to-day.

ORANGE.

The makers employed in the hat factory
of Cummings, Matthews & Co. had a dis-
agreement with the firm last week over
the prices to be paid for certain work and
went on a turn-out. The matter was set-
tled and prices fixed for the season, and
the men returned to work. Yesterday
the makers became dissatisfied with the
prices agreed upon and went on another
turn-out. They finally consented to re-
turn to work to-day and finish all hats in
process of manufacture and then will go
out until a settlement of the difficulty can
be effected. The firm say they will have
to close the factory if the makers insist
upon the price now demanded.

ELIZABETH.

Council has received a communication
from the business men of this city asking
them to pass an ordinance imposing
heavy license fees on out-of-town pedlers.
A counter communication was received
from the Knights of Labor representing
5,000 workmen, requesting the council
to not pass any such unjust law, and
to advise the local tradesmen with bein-

too high in their prices. Both commu-
nications were referred to the Law Com-
mittee and City Attorney.

MONTCLAIR.

At the meeting of the Town Committee
Tuesday evening, the Chief Engineer
was authorized to have the fire bell re-
moved to the vicinity of the depot if it
could be heard better there, a test to be
first made, and the work upon macada-
mized roads was awarded to C. E. Mc-
Dowell.

soliciting funds to build a hall, establish
a public library in addition to the one

Ex-Alderman Bramhall, of Paterson,
is now on his way to England. He was
expelled from the Council for bribery,
and would probably have been indicted
by the Grand Jury within a few weeks.
The news of his departure leaked out
last week.

Hon. Job Male has presented to the
city of Plainfield the handsome structure
known as the Job Male Art Gallery, on
Park Avenue. Mr. Male presented the
deed free and clear to the city. The
ground, buildings and fittings, together
with books, paintings and works of art
represent a cost of over \$500,000, and is
the first and only building which the
city can boast of as being in its possession.

William Strange is weaving the silk off
his looms in Paterson and discharging
the weavers as they get through, with a
view to closing up his mills. He says he
will not continue manufacturing unless
he can get some guarantee from his hands
that they will not strike while he is car-
rying out contracts for the manufacture
of silk. He expects to close his mills in
three or four weeks. An effort by Mr.
Fell to settle the trouble failed.
